

CRD's Niche / Role for the Future

- More connecting
- Seeing administrators with CRED experience – variety of things
- Lots of models in different states
- Help communities think differently about future
- Relationship building
- Help other departments build coalitions

Moving Forward:

- Strong vision & plan
- Leverage resources
- Letting go – invite new processes
- How do we plug in – see new opportunities & new joint efforts
- Who we are – the value we bring and communicate this
- Develop a common language
