

# Evaluation and Impact

## Evaluation and Impact

- Most significant impact
- Collective impact
- Learning from each other

## Opportunities

- Pilot studies – get in the water
- More learning from each other
  - Sharing tools
- Common indicators – theory ? programs
- Collective impact – contributions from specific programs/players
- Ripple ?
- What do leaders want to see? Getting Buy In > Changes >
- Get people to identify performance measures early
- Finding best practices and models

## Resources – Collective impact

- Strive together
- Very hard work!
