Bob Wheeler 5K Fun Run (June 26, 3:00 pm)

\$5.00

Mobile Workshop Selections (June 28, 12:00-5:00 pm)

All mobile workshops complimentary with registration unless otherwise noted. Workshops are only open to registered conference attendees. Family members may choose one day registration and sign up for a workshop. In addition, Bonafide Tours will offer separate tours for family members before, during and after the conference.

Signups will be accepted on a first-come/first-served basis. Some of the tours have limited participation. Where participation is not specified the maximum size of the group will be determined by the bus (usually 50). Most of these larger workshops are set up so groups will be divided into smaller clusters for the actual workshops. A detailed description of each workshop is available at <http://www.nacdep.net/2016-anrep-nacdep-conference>.
