

# GET IN THE KNOW

## What you need to plan and pack before heading to Idaho.

*Your "Go To" List to get you ready for a great conference*

We have a lot of fun, networking, and learning packed into this year's conference in CDA, Idaho. A few things can help you get the most out of your experience.

- Check out Oxford Abstracts for the most up-to-date, **real-time schedule**. You can access all the abstracts and customize the schedule with the events you plan to attend.
- The **website has lots of helpful information**, including the At-A-Glance schedule and local food lists.
- Although it is Spring, North Idaho weather can be a bit unpredictable. **Bring layers**, a water/windproof jacket, and outdoor shoes for tours and the boat.
- **Dress appropriately for your mobile workshop**. Most will be outdoors.
- Don't forget a **Silent Auction** item!
- If you plan on participating in one of the fitness activities, **bring a yoga mat**, if possible and sturdy **shoes** for Tubbs Hill.
- Our 1890s are planning a fun Homecoming-style party. Please **wear your school colors** and **bring a pennant or flag** to display!
- If you don't have lunch plans on Tuesday's lunch on your own, **join one of our lunch guides**, who will walk a group of attendees to a local restaurant.
