

Historical List of NACDEP Conference Locations

- February 24-27, 2002 - National Extension Community Resource and Economic Development Conference, Orlando, FL - Concept of a national organization for Extension professionals was discussed in detail. Consensus emerged that an organization affiliated with JCEP and designed along the lines of existing JCEP organizations made the most sense.
- September 21-25, 2003 - Galaxy II, Salt Lake City, UT - Launched efforts to establish a national organization and gathered input from CRED professionals across the country regarding potential, purpose, design, partnerships, and structure.
- February 15-18, 2005 - 1st Annual Conference, Las Vegas, NV
- February 13-16, 2006 - 2nd Annual Conference, San Antonio, TX
